THE HISTORY OF EROTICISM
by Brusendorff and Henningsen

This incredible series of books has, for years, been banned from the United States. Tourists would pay as much as \$15 a copy to have the books divided into thirds and mailed first class from Copenhagen! Now it is no longer necessary to smuggle books past Custom inspectors! We have openly published the first three volumes. Nothing has been left out! Nothing has been omitted! These editions, though costing no more than their Danish counterparts, are printed on better quality paper to insure the clarity of the pictures!

GR-1. HISTORY OF EROTICISM. Illustrated. Complete, frank treatment of erotic art & customs of the past. This forbidden book is lavishly illustrated with more than 100 photographs and drawings. For Adults Only! **\$6**
